TRANSMITTAL OF FORMAL DRAWINGS

Dear Sir:

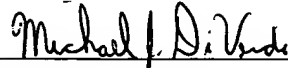

In response to the office action dated September 15, 2003, transmitted herewith are 14 sheets of formal drawings (Figures 1-14). This transmittal is in further response to our response dated January 15, 2004. In that first response we paid for a 1 month extension of time. Therefore, we believe all that is owed currently is the difference between a two month extension of time and a one month extension of time, or \$210.00 - \$55.00 = \$155.00 for a small entity.

Applicants respectfully submit that the formal drawings are in compliance with 37 C.F.R. § 1.84. Applicants request that the drawings be filed in the above-referenced patent application. No new matter has been added.
